THE Bobcat of '54

Edited by

THE

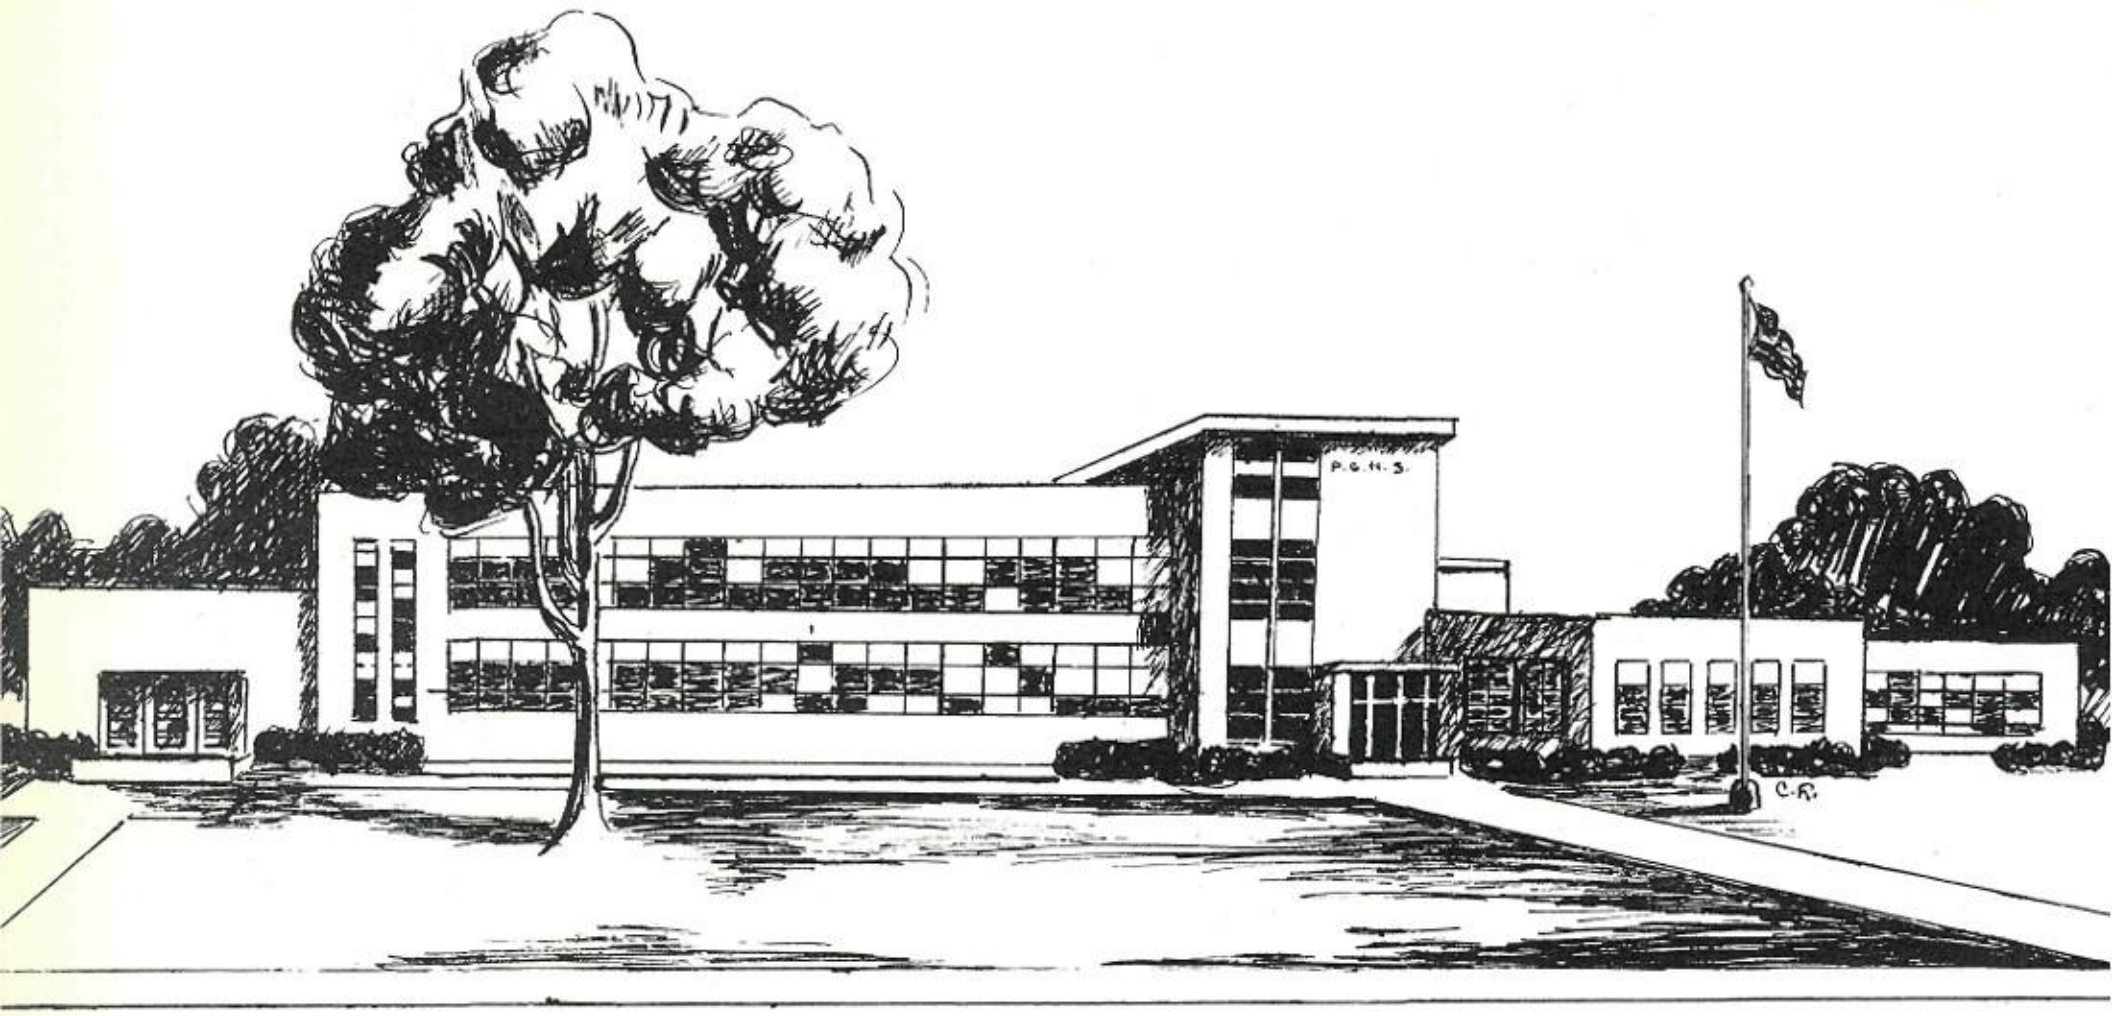
SENIORS

of

PLEASANT GROVE HIGH SCHOOL

DALLAS, TEXAS

FOREWORD



We look to the future
And what do we see?
Students whose thoughts will be turning
In this new building of learning

Yet . . .
Down through the years,
And as time goes by,
We can turn the leaves of this book
And at our past, take a secret look.

DEDICATION

DALE DOUGLAS

We, the Annual Staff, affectionately dedicate this "*54 Bobcat*" to our very capable superintendent, Dale Douglas.

We sincerely appreciate the counsel and understanding he has given us during our school year and the sincere effort he has made to further the progress of our Pleasant Grove Independent Schools.

SENIOR HISTORY

Gerald
and Glenn

As we open the book of our lives—we find the '54 Seniors as eighth graders. We can remember as we read this chapter the wonderful times we had growing up together.

In 1950 we graduated from junior high. We were known as "Fish" in high school. That first year we chose favorites—our first big thrill as "grown ups." Ann Malone and Paul Brey were most popular; Carolyn Gilham and Jack Thompson were most athletic. Our class officers were Dorothy Young, President; Paul Brey, Vice President; Ann Malone, Secretary; Freeman Feagin, Treasurer; and Troy Moore, Reporter. Our Valentine candidates were Barbara Spoerl and Jack Thompson.

As we turn another page in the book of our lives, we find the year 1951. We are Sophomores stepping a little higher to our goal. That year we chose Tawana Baird and Jim Beam as most popular; Patsy Boone and Jack Thompson as most athletic. Our class officers were Freeman Feagin, President; Patsy Boone, Secretary; Tawana Baird, Reporter; and Jerry Manley, Treasurer. Jim Beam and Jamille Chambers represented our class in the Sadie Hawkins Race. This was Pleasant Grove's first year to have this sort of dance. Our Valentine candidates were Patsy Boone and Hal Redfearn.

This is the next to the last chapter. It's 1952 and we are Juniors. This year we chose Bonita Brunson and Hal Fedfearn as most popular; Jim Beam as most athletic; and Marilyn DeLong as most beautiful. Our class officers were Freeman Feagin, President, for the second time; Jackie Smith, Vice President; Patsy Barker, Secretary; and Jerry Davis, Reporter. Our Valentine candidate was Peggy Smith and her escort was George Cates. Camelia Loughmiller and George Schell represented our class in the Sadie Hawkins Race. We were also privileged in having a Junior play, "Footloose." This play, being a big success, enabled us to give the Seniors their first Junior-Senior Prom.

Now we turn to the last chapter. It's 1953, the year that means the most. This last year we're happy to be graduating but sorry to leave the wonderful times that we've had. This year we chose Bonita Brunson and Paul Brey, most popular; Patsy Barker and Clifton Groom, best all-round; Jim Beam, most athletic; Camelia Loughmiller and Freeman Feagin, most beautiful and most handsome; Tawana Baird and Joe Johnson, best personality; and Margaret Sammon and Dick Heidt, most likely to succeed. Our D. A. R. candidate was Marilyn Rives. The Valentine Sweetheart was Bonita Brunson; her escort was Jack Thompson. Our Sadie Hawkins representatives were Camelia Loughmiller and Jim Beam. Our class officers were Jackie Smith, President; George Cates, Vice President; Margaret Sammon, Secretary; Maxie Ashby, Treasurer; and Barry Dowd, Reporter. Our Student Council President was Jim Beam.

Now comes the big moment. Soon we'll be on our own. We're graduating—May, 1954—the protection that went with being a child is gone. We will have to make our own decisions, do our own thinking, and do our best. May God be with us and show us the way as we travel the long road to success and happiness.

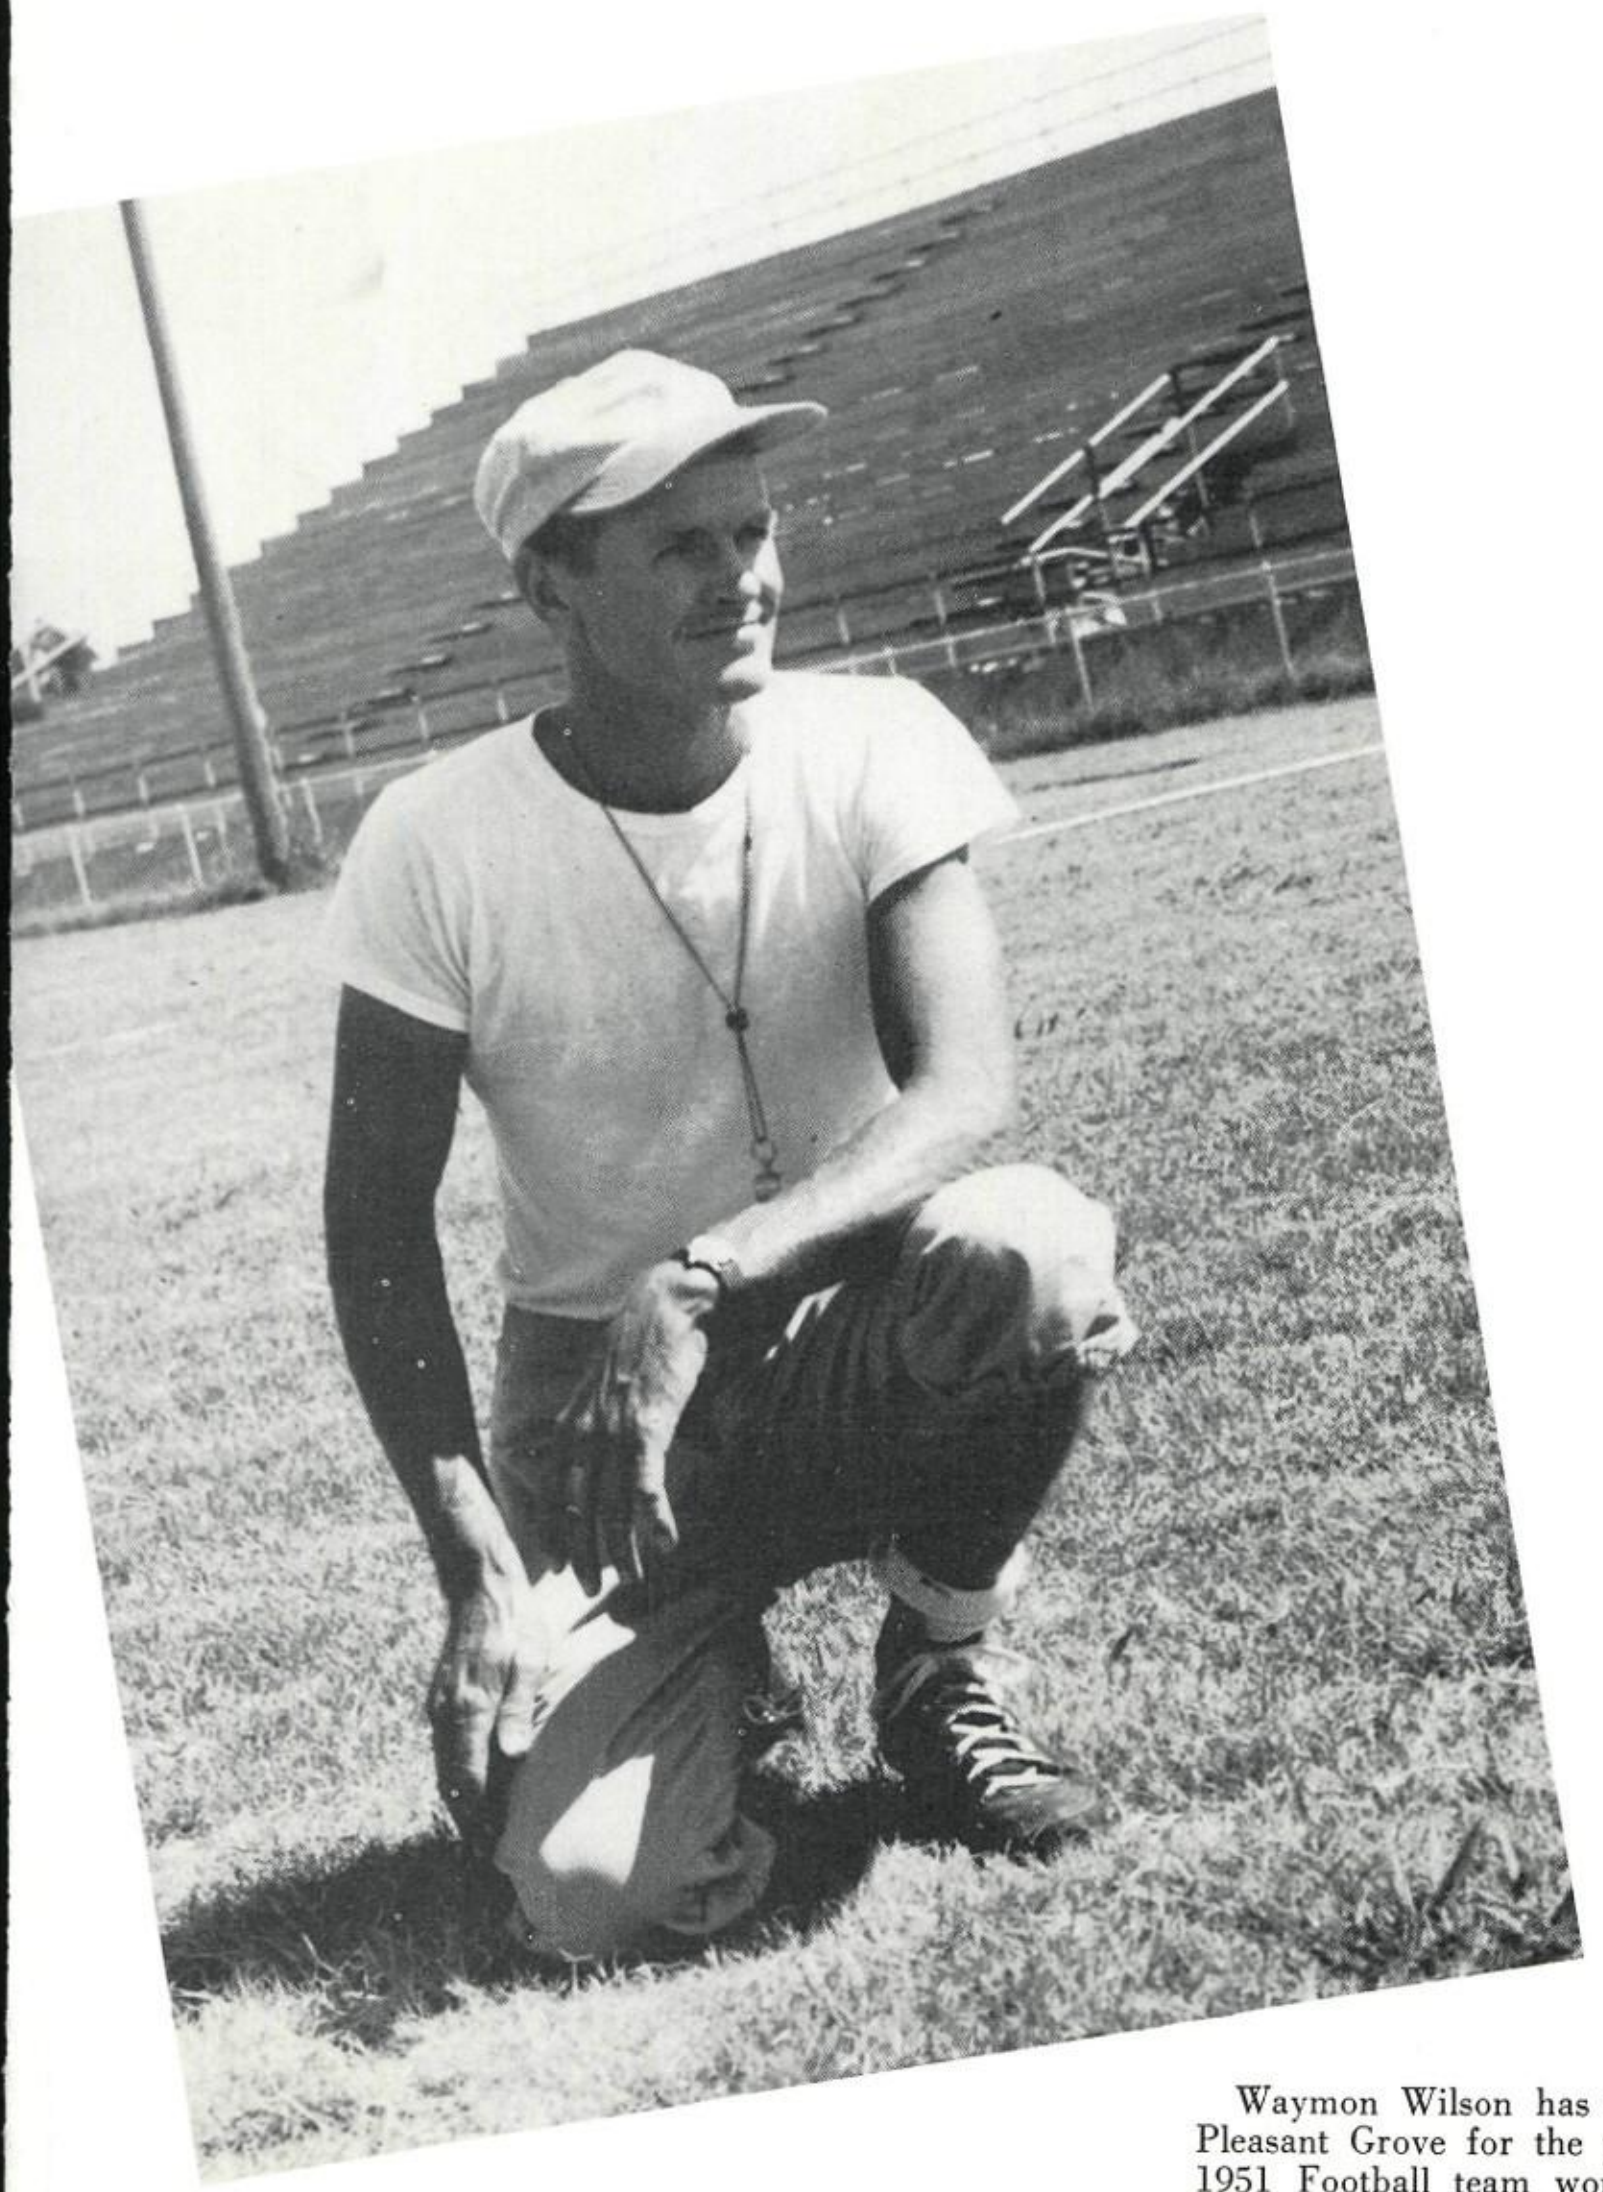
SPORTS



Waymon Wilson has been head coach at Pleasant Grove for the past four years. His 1951 Football team won District and went to Regionals.

Coach Wilson's excellent character and good humor make him a favorite with all the athletes. We are sure the sportsmanship he has taught "his boys" will guide them the rest of their lives.

CHEERLEADERS

Long hours and hard work are familiar to the 53 Cheerleaders. Most of them attended the SMU school of cheerleaders this summer.

Every night during August they could be found by the gym practicing.

During football season they held pep-rallies and led the rooting section at the games.

These guys and gals were essential in keeping up school spirit and the student body wants them to know they really appreciated it.

Bonita Brunson, head cheerleader, contributed much hard work and time to her job and really helped to make it a success.

GRIDIRON SEASON

Under the guidance of Coach Waymon Wilson and Assistant Coaches Harrel Shaver and Joe Pasqua, the Pleasant Grove Bobcats finished their initial year in District 2-AAA in fifth place with a 2-4 record. Although the record is unimpressive, the Bobcats played some fine games against strong competition. Also, they accomplished some feats a Pleasant Grove team has never been able to do before.

Pleasant Grove has never before defeated the Arlington Colts. In fact, Arlington beat them out of Regionals in 1951. This year the Bobcats trounced the Colts 52-0.

Irving's Tigers also felt the stinging claw of the Bobcats for their first time as they went down before Pleasant Grove 27-26. The Tigers led 26-7 at the end of the first half, but the remaining half saw the Bobcats unleash all their fury to spectacularly come back and down Irving.

Club Editor Speaks . . .

As I scan through the pages of my new yearbook
I look and I look and I look and I look.
There's GEORGE—there's JIM—what a cute picture of HAL,
And look, there's PHYLLIS. Boy! What a gal.
These club pictures are really gone and all reet
That club editor must really be sweet
'Cause look at all the work that had to be done!
She must have been busy without any fun.
Hey wait, here's a picture of all the boys.
Look at MICKEY, DICK and GLEN ROY—sitting there
Playing with the Red Cross toys.
The Athletic Club—now those boys are real brutes
Just look at them sitting there so sweet and so cute.
FREEMAN, PAUL, MAXIE and JAMES
Were winners at all of the varsity games.
Wow! That Thespian Club sure has a large crowd
As president I'll bet JACK VANDAGRIFF is proud.
Just look at the large collection of females,
The F.H.A. Club will supply wives for our he-males.
There's PAT, PEGGY, MEDDIE ONN and all the rest
I think this picture is one of the best.
Well, there's just no doubt about it
This club section has got what it takes
And the club editor—Boy!—she takes the cake.
The club she's in—that's the one I'd join
Well—just who do you think wrote this poem???
